

# Drove Meds

Simplify your patient ❤️ life

Drove  
Meds

Your Pharmacy next your door ❤️

---

The medicine might not be available at the pharmacy.

All types of patients are served from the same window.

Serves all outpatients from all clinics which results long patient's waiting time at the pharmacy.

Space is small and tight compared to the number of patients served and number of medicine stored which is uncomfortable for both patients and pharmacists.

**Drove  
Meds**

Your Pharmacy next your door ❤️

# Simplify your patient ♥ life

with Central Pharmacy that sorts, automatic refills and delivers medication by coordinating with hospitals through sending prescriptions, and patient's details.

**Drove  
Meds**

Your Pharmacy next your door ♥

# We'll receive your prescription and set up your service

## Coordinate

with hospitals to  
gather prescriptions.

## Schedule

shipment and  
order refills.

## Package

Medications by time  
of day and send them  
to patient.
